EDUCATION

B.Tech: Computer Science	Government College of Engineering Jalgoan	9.05:	Feb 2020 - May 2024

INTERNSHIP

Web Designer	Oasis Infobyte, Jalgaon	Jul 2022 - Aug 2022

- Developed site navigation by categorizing content and funneling traffic through content.
- Enhanced functionality and appearance of website and repaired functionality issues.
- Maintained up-to-date knowledge of required programming languages.

PROJECTS

Bank of Bharat   Aug 2022 - Aug 2022

Created a dummy Bank system named Bank of Bharat. I created it all by myself. I created a registration form to register customers. After registration complete user will be able to login using credentials. Then user can use different functionalities like send money, get balance, deposite money and can see transaction history.

OTHER ACCOMPLISHMENTS

Created portfolio website. It is like profile website for an IT, CS intern or Student. It describes about the Person and his skills and services it provides.
